- **Sue is a Transactional Analysis Psychotherapist and is UKCP Registered. She is also a Senior Registered Practitioner and a qualified BACP Accredited Counsellor. She abides by the ITA and the BACP Code of Ethics.**

Sue has been in private practice for seventeen years and is a BACP Accredited Counsellor with Senior Registered Practitioner status. She is a qualified Transactional Analyst Psychotherapist and is UKCP Registered. Transactional Analysis is a humanistic theory of personality and interpersonal communication, which can be used within a group to understand ourselves and our relationships with others. It helps to promote awareness of unhelpful or unsatisfying patterns of personal and social interaction and to identify new ways to solve problems. Sue has also supervised counsellors since 1995.
